Saturday, March 24th:

Want to get your children and your students more interested in the essential topics of science, math & technology? Register them

for our Science & Technology Fair sponsored by HMI Metals Powders.

"As children in the U.S. struggle to compete in science with young minds in other nations, it is never too early to open a child's eyes to the wonders of science & technology, the disciplines of the future"-Director Brown

The 2006 Children's Museum Science & Tech Fair had 19 Projects, entered by 29 students in grades 2nd-6th, from 11 different schools. Over 200 people enjoyed the day's event.

Registration forms are available in the mu-

seum & on our website Admission \$9. per person; \$5. per member; children under 1 free.

Check our website for event specifics and other upcoming dates.
