The three-day Event programs

July 1st, Thursday evening from 6:00pm to 7:00pm – at The Capitol Theatre in Rome, NY: *A program by Mark Leckie, Professor of Geology and Head of Dept of Geosciences, Univ. of Massachusetts – “Is Global Warming Real? What Have We Learned from Deep-Sea Sediments?” Plus an international award winning presentation to Lilly Bulawa, from the NASSA group the museum proudly hosts! n/c*

July 2nd, Friday & July 3rd Saturday from 10:00am to 1:00pm – at The Children's Museum, in Utica, NY: *The Award Presentation and a program by Mark Leckie on “Events from Earth History Revealed in Deep-Sea Sediment Cores”. Why did the dinosaurs go extinct? Has global warming ever occurred in Earth's past? Museum attendees will receive posters, pencils, stickers, and do a hands-on activity with shale. Special reduced admission to the museum both days of only \$6. each (members & children under 2 yrs of age free)*

Plus, enjoy other award-winning exhibits and videos of the NASSA [Neighborhood After School Science Association] team on our museum's 4th floor!
