Joides Resolution Award Presentation & Programs

...three Special Events...

Fr. & Sat.: Award Presentation repeated & program by Mark Lektie on "Events from Earth History Revealed in Deep-Sea Sediment Cores". Why did the dinosaurs go extinct? Has global warming ever occurred in Earth's past? Museum attendees will receive posters, pencils, stickers, and do a hands-on activity with shale. Special reduced admission both days of only \$6. each (members & children under 2 years of age free)

Date: July 2nd & 3rd, 2010 from 10a-1pm
 The Children's Museum, 311 Main St., Utica NY

Thurs. evening: An international award winning presentation to Lilly Bulawa, from the MASSA group the museum proudly hosts! And a program by Mark Lektie - Professor of Geology and Head of Dept of Geosciences, Univ. of MA, "Is Global Warming Real? What Have We Learned from Deep-Sea Sediments?" n/c

Date: July 1, 2010 from 6pm-7pm
