CHILDREN'S MUSEUM WEATHER CANCELLATION POLICY

Our Weather Cancellation Policy is in effective for those days when the weather is really bad – especially icy roads or blowing snow – making driving hazardous & visibility poor. When local media advises people to stay off the road & not do any unnecessary travel, the museum may choose to close.

As our first obligation is to our visitors & staff, on those few days when the weather is really bad, by 8:00am that day, we will have made the decision to stay open or to close. If a group should be booked, they are requested to email our Executive Director Marlene Brown as soon as they know their school has closed, and Marlene will do likewise.

In the event of weather or emergency closings, Marlene will immediately put that information on our website's online calendar and request local media to run it with others.

It will be staff & visitors responsibility to check our web calendar, as staff will not report to work if we're closed for weather. Thanks for your help in what we hope will be rare occasions. *Normally, staff is in the museum at 9:15am and answers the phone from then until at least 12:15pm. If you get to the voice mail message, we're probably closed.*
