

Come enjoy our new Science Rooms With fun & educational After School & Saturday Science Programs

Our new Science and Weather rooms with interactive exhibits & programs delight kids of all ages, even the grown-up *kids*! Learn about the Magic of Clouds, Making Rainbows, Rub-a-Dub Dub, Making Gluep, How Robots Work (*with Robby our Robot*), get All Wound Up with magnets, listen to our Space sounds, view our Talking Microscope, enjoy educational science & history CD's on our computer stations, and more.
