

Artists Wanted

for the **Wine & Art** 5th Annual **Celebration**

Wednesday Night, August 7, 2002
An evening of fine beverages, food, music, and a silent auction.

The Children's Museum is pleased to announce its fifth annual Wine and Art Celebration. Local artists decorate a wine bottle in any way, using any media, and donate it to the museum to be auctioned off at our annual summer celebration. Past contributions include clay sculptures, specially designed labels and hand painted bottles. There are infinite possibilities for this project. We are looking for other small works of art as well. All proceeds benefit the Children's Museum, and of course the children of the Mohawk Valley. Contributions may be dropped off at the museum any time before August 5. Donors will receive a complimentary ticket to the event.

A benefit for the

Children's
Museum
